

Gloucestershire Historic Churches Trust

Local Organisers – please hand one of these to each of your participants

Dear Ride+Stride Participant,

I am the County Organiser for Ride+Stride covering Gloucestershire and North Bristol. Thank you for taking part and supporting the charity and our churches. I am trying to develop this event further and I wonder if you would be prepared to contribute?

I would like to be able to send the occasional email to the people that take part in a specific activity e.g. walking or cycling, to ask your opinion on any new ideas that come my way and to get your feedback on how to make things even better.

I am starting a Participant's Database for the GHCT for the sole purposes described above. If you would like to sign up, please send me an email with your name and activity [walking, cycling, horse-riding, driving, other (please specify)] confirming this.

If you would like to know more about the GHCT's work, please contact Alex, our Publicity Officer, and she can add you to our publicity database. See <http://ghct.org.uk/contact-us/>

Thanks, Glenn Duff
