

# How to set up your Just Giving page for Ride+Stride 2020

Before you start, we recommend you log out of any existing Just Giving page you have so that you create an entirely new page for 2020.

1. Go to <https://www.justgiving.com/campaign/ride-and-stride2020?invite=true>

2. Click on 'Start Fundraising' box in the lower right of your screen.

3. At the next screen click 'New to Just Giving' at the bottom of the page.

4. Complete the sign up screen – NOTE that we would like you to set this up in the name of your church so it is easier for us to track donations. To do this put your church name in the First Name field and your city/town/village in the Last Name field. You can use any suitable email and of course an appropriate password. Please opt in to Just Giving emails so you get updates from us. You can always opt out later.
