

Existing Page Owners - How to set up your Just Giving Page for Ride+Stride 2021

These instructions are only for people who set up a page in previous years to support Ride+Stride linked to GHCT campaigns. If you are new to setting up a page for GHCT R+S please go to the document: [New to Just Giving - How to set up your NEW Just Giving page for Ride+Stride 2022.](#)

1. The following page will take you through the set up process. Just click this link to start: <https://justgiving.com/campaign/GHCT-ride-and-stride-2022>
Click on 'Start Fundraising'. This takes you to a login page where you input last year's login.
2. You'll then get the screen below. Go to 'Taking part in an event' and click 'Start'.

3. On the next screen click 'Select' against 'Ride+Stride 2022 – Gloucestershire and North Bristol'. If this is not listed, input the event in the 'Search' box.

The screenshot shows a search interface with the text "Step 2 of 3" at the top. Below it is a search box with the placeholder text "Find your event" and a blue "Search" button with a magnifying glass icon.

4. If the 'Search' box fails to find 'Ride+Stride 2022 – Gloucestershire and North Bristol', click 'Add your own' at the bottom of the page.

The screenshot shows a search interface with the text "Can't see your event? Search all events" at the top. Below it is a search box with a blue "Search" button with a magnifying glass icon. Below the search box is the text "OR" followed by a blue button labeled "Add your own".

5. Then complete the next page including accepting the T's & C's – please opt in to receive emails from us so we can keep you up to date with what's going on at GHCT and with Ride+Stride. When this is done click 'Create your page'
6. Your page is then ready and will pull through text and images from GHCT to explain Ride+Stride. If you want to, you can also post your own updates to the page, publicise it to your Facebook or Twitter accounts. You can also send emails with a link to your page and text you can adapt for your own purposes to your local supporters – see example below.
