Story
Thousands of people take part in Ride+Stride every year to raise funds to support their local churches and county historic churches trusts. In our area we raised over £35,000 in 2025, for individual churches and for our grants programme. You can take part in this fun event where participants seek sponsorship to visit our churches by walking, cycling, on horse back, on public transport or by car. Most of our Ride+Stride supporters join in with others from their church but, if you simply would like to help save historic churches and support the Trust, you can sign up on your own!

2. Click on 'Start Fundraising' box at the top left of your screen
3. Enter 'Yes I'm fundraising for a charity'. 'Next'
4. At the next screen follow the sign in procedure using your personal user name and password.

 - b. 'Customise your web URL': A URL will be suggested. This may be customised to simplify it or to make specific reference to the church/chapel you are supporting. Just Giving has formatting 'rules' for URL's so you may have to play around to find one that the system accepts
 - c. 'Next'
11. 'Add a page cover': Use photo transferred from campaign page or upload an alternative then 'Finalise'
12. Ideally, tick the box to receive emails from GHCT then 'Launch my page' This will add your page to the list of fundraisers on the campaign page
